Coffee Stop, Alarm

Clock Are Vacation

Trip Safety Ideas

"When vacation time rolls around and it's here now, the nation's highways will again be crowded far beyond the limits of safety; these are the conditions that contributed to many of the approximately 38,000 dead and 1,300,000 injured in traffic accidents last year," according to L. S. Harris, executive director of the American Association of Motor Vehicle Administrators, 912 Barr Bldg., Washington 6, D. C.

Mr. Harris has dug up some interesting figures on automobile accidents. For instance, fatalities were three times as great on rural roads as in the cities last year, a fact verified by the National Safety Council.

The death rate for rural roads was 74 per cent of the total, and only 26 per cent for cities, towns, and villages.

The safety expert explains that drivers' fatigue after traveling long distances is a greater menace than the crowded traffic of the big towns. And he recommends that the civilian driver starting off on this year's vacation follow the U. S. Army formula:

1. Keep the car windows open.
2. Stop for coffee or other alertness beverage every two hours.
3. If drowsy stop the car and get out and exercise briskly.
4. Change drivers every two hours, if possible.
5. Finally, the driver who finds he is getting sleepy should pull off the road and take a nap.

Mr. Harris points out that after the army made its fatigue study in 1946 and required drivers to take a 10-minute coffee "break" every two hours the accident rate among service drivers dropped 34 per cent.

Many drivers on long-distance runs already practice the army formula, but all should observe it. You often note while touring that many a big truck is pulled up on the side of the road and you assume the driver is taking a nap.

Which reminds this writer that in his many years of cross-country driving to both coasts he has always carried in the car's glove compartment a small alarm-clock. Frequently a 15-minute nap at a crucial moment will guarantee the traveler's safe arrival.

Ammunition Probe Gains Solace

By ELTON C. FAY

WASHINGTON (AP) — Now that the dust has settled and debate has died away, the Army finds some solace in the senatorial investigation of ammunition shortages.

Economy trends had whittled appropriation proposals for ammunition to a fraction of the requested amount earlier this year. But Congress and the administration, alarmed by the charges of previous critical shortages in ammunition, restored to the budget much of the money originally requested for this purpose, it was learned today.

Ammunition accounts for a large part of the \$923,487,000 added by the Eisenhower administration to the original Truman administration budget item for Army procurement and production. The new total for Army production, as proposed by the Budget Bureau on the basis of Defense Department recommendations is \$2,471,799,000.

Officials say the money is urgently needed to build up reserve stocks of ammunition badly depleted by the heavy drain of the first two years of the Korean War, when new production facilities had not come into full operation.

Draft Dodger Freed by Court Order

WASHINGTON (AP) — Serge Rubinstein, 45, wealth Russian-born financier and convicted draft dodger, today won a court order allowing him to remain free on bail while he fights an order for his deportation.

The U. S. Court of Appeals in a 2-1 decision, ruled against the Justice Department which wants to arrest Rubinstein and take him to Ellis Island.

The court returned the case to the U. S. District Court here with directions to issue a preliminary injunction against revoking Rubinstein's bail and from taking him into custody on a warrant of arrest for deportation.

Under the court's order today, Rubinstein appeared safe from arrest for many months while his suit contesting legality of the deportation move into the courts.

The deportation action against Rubinstein, "A White Russian" whose family fled Russia to escape the Communists, is based on this conviction in 1947 on the draft dodging charges. He served a prison term.

The District Court here ruled the draft dodging issues involved moral turpitude a deportable crime.

Hospital Site Selected by Committee

Following a lengthy investigation the building committee for the proposed Hemstead County Hospital unanimously selected a 10-acre plot on South Main Street centered around what is known as the Reynerson property. Several proposed sites were investigated.

Architects Weaver and Stower met with the committee, submitted preliminary plans and expressed the opinion that revenue would support a 60-bed hospital. The architects asked for two weeks in which to give more study to the type of hospital needed in the county and to prepare a detailed estimate of the cost.

Representatives of Dabbs Sullivan Co., and W. R. Stephens Investment Co., Inc., also met with the committee and discussed proposed bond issue and advised the group that the revenue collected from the county tax levied for construction will support a bond issue of \$450,000.

Russia Makes Bid for Turk Friendship

PARIS (UP) — Soviet Russia, in a major bid for better relations with Turkey, has given up its claim to Turkish frontier areas and its demand for military bases along the strategic Dardanelles Strait, it was reported today.

Reliable diplomatic sources said a note was delivered to Turkey about one week ago and its contents were made known to the United States, Great Britain and France.

Informants said the main points in the note were:

1 — The Soviets give up their claim, made in 1945, to the Turkish vilayets (districts) of Artvin, Ardahan and Kars, opposite Soviet Georgia and Armenia.

2 — Russia abandons its demands that Turkey permit it to establish bases in the Dardanelles strait, which links the Black and Mediterranean seas.

3 — Russia is ready to negotiate modifications of the present agreements on control of shipping through the Strait.

4 — The Kremlin would welcome improvement in the hitherto strained Turkish-Soviet relations.

Informants said also that Russia had agreed to permit Turkey to use water power from its Serdarabad dam near the frontier.

House Gets Chance at Foreign Aid

By JOE HALL
WASHINGTON (AP) — The Senate Foreign Relations Committee's 162 million dollar slice off President Eisenhower's foreign aid bill was relatively minor, but its House counterpart takes up the knife today.

The Senate group, finishing its work yesterday, left the total in the authorization measure at \$5,312,600,000. This was considerably less than the House group's first-round victory for the administration in view of the big slashes demanded by some lawmakers.

The figure compared with \$6,001,947,000 voted last year.

The House Foreign Affairs Committee begins its closed-door votes today with a big bundle of amendments, including a number of cuts, already offered.

Some of the Housegroup's members have talked of slashes running as high as two billion dollars but there was evidence these would be strongly resisted.

Chairman Chipfield (R-Ill.) of the House group said he did not believe the military items, which comprise the bulk of the measure, should be reduced much if at all. He said economic aid could stand some paring.

Man Who Owes \$500,000 Caught

HOUSTON (AP) — Maurice S. Weinzelbaum, who is reputed to have owed an estimated \$500,000 to friends when he vanished from Chicago last January, was arrested in Houston last night with \$7 in his pocket.

Weinzelbaum, a portly balding attorney of 40, denied to a reporter that he ever had \$500,000.

He said he had so little money that he had been eating in hot dog joints in Houston, adding sarcastically, "I figure I've saved a half million that way."

Chicago police notified Lt. Larry Fultz here they would start extradition proceedings today. Weinzelbaum faces Chicago indictments on two counts of operating a confidence game.

Three Hope Persons Hurt, One Seriously, in Auto Accident

Three Hope persons were injured, one critically, about 7:30 a.m. yesterday near Mt. Pleasant, Texas.

They were Mrs. Lillian Briant, 63, her son, Sgt. Charles R. Briant, 34, and her sister, Mrs. Guy A. Linaker. Mrs. Briant is seriously hurt, suffering a multiple leg break; Mrs. Linaker suffered broken ribs but was released from a Texarkana hospital where they were taken for treatment and Charles sustained cuts and bruises and was taken to the Red River Arsenal Base hospital for treatment.

The trio was en route to Electra, Texas, to visit relatives when their auto collided with another containing some Negroes. Sgt. Briant, driver of the auto, has just returned from duty in Germany.

Knowland Takes Over Leadership From Ailing Taft

WASHINGTON (AP) — Sen. Knowland of California, acting Republican Senate leader, today tabbed extension of the excess profits tax — one of President Eisenhower's major requests to Congress — as definitely doubtful.

Knowland omitted mention of it in a forecast of prospective Senate actions this session. Asked by reporters about the omission, Knowland said the tax extension was "not necessarily dead."

But it is tied up in the house Ways and Means Committee, Knowland observed, adding that he was "frankly not certain" it would emerge from either House or Senate action.

Knowland said if the bill did come out of committee he thought it stood a better than 50-50 chance of enactment.

The tax is a special one on corporations, intended to drain into the U. S. Treasury the major part of any extra profits they may make as a result of business stimulation from government defense spending.

It is now due to expire June 30. Knowland shouldered active floor leadership of the Senate GOP forces yesterday, taking over the job from Sen. Taft (R-Ohio) who is suffering from a painful hip ailment and has been ordered by his physicians to cut down on his activity.

Knowland's appraisal of the legislative outlook was made in an address to the Machinery and Allied Products Institute's annual conference here.

\$1.1 Billion Slashed From Atom Fund

WASHINGTON (AP) — The House Appropriations Committee today recommended a slash of \$1,171,380,000 from new funds requested by former President Truman for the Atomic Energy Commission, the Selective Service System, the Veterans Administration and the Eisenhower.

Tennessee Valley Authority.

It sent to the House floor for debate next week a bill to appropriate \$5,284,369,664 for these four agencies for the fiscal year starting July 1.

This is 18 per cent less than Truman requested in his January budget and about 6 per cent below the revised budget of President Eisenhower.

The heaviest reduction was \$653,008,000 chipped from the Truman request for the Atomic Energy Commission (AEC). All but about 38 million was trimmed from the Truman budget by the Eisenhower administration before the committee acted.

General Fair Weather Seen

By The Associated Press
Generally fair and mild weather — in sharp contrast to violent storms in some sections earlier this week — was the outlook for most of the nation today.

No stormy weather was reported throughout the country early today. There was light rain in Montana, Southern New Mexico and along the South Atlantic Coast.

But clear skies prevailed in the Great Lakes region, the Southern Great Plains and in the Far Southwest.

The hottest weather of the spring season continued in sections of Kansas, Texas, Oklahoma, Colorado and the Far Southwest. Temperatures again Wednesday climbed above 100 degrees in many cities.

Although Canada has no aluminum ore, she ranks high as an aluminum producer because of her abundant power supply.

JUBILANT — U. S. soldiers, dressed and armed for a night patrol at the Red River Panmunjom, cheer as they hear the news that U. S. and Communists have agreed on the all-important POW issue and the path cleared for an armistice in Korea. — NEA Telephoto.

Cherry Irate After Boys School Visit

LITTLE ROCK (AP) — Gov. Francis Cherry says he's going to get three 9-year-old boys out of the Boys Industrial School near Pine Bluff "if I have to tear the damn place down."

And he's going to get the women of Arkansas to help him.

The governor described his visit to the school yesterday as "depressing" and said he had ordered a general clean-up of the institution.

He said he planned to ask 30 or 35 women from over the state to go down with him to the school "so they can see how conditions are."

"I don't believe the women of this state want 9-year-old boys in an institution of that type," he said, adding, "I believe if I can get the women interested, they'll help in seeing that there are changes made."

Cherry said the younger children were sent to the school as "abandoned or neglected" children.

Many counties don't have child welfare workers, he said, and the county must meet certain conditions before the Welfare Department will assign one. The governor said one of the 9-year-olds was put in the school by a county judge who once had told him he didn't want a child welfare worker in his county. He didn't identify the judge.

K. G. McRae, Hope Pioneer, Succumbs

K. G. McRae, aged 90, Hope pioneer, died Wednesday night in a local hospital. He suffered a stroke at his home about a week ago.

A native of Mt. Holly, Arkansas, Mr. McRae came to Hope in August 1886 and opened a Hardware Store here in 1890. He ran the store continuously until he retired in 1948. On May 3, 1914 he was made an elder of the First Presbyterian Church and had served in that capacity until his death.

He is survived by his wife, Mrs. Lillian Hays McRae, two sons, K. G. McRae, Jr., of Houston, Texas, Hays McRae of Jacksonville, Fla., four daughters, Mrs. Taylor Stuart of Hot Springs, Miss. G. E. Graham of Kalamazoo, Michigan, Mrs. J. W. Meeks of Bradley and Helen McRae of Washington, D. C., and a brother, Hamilton McRae of Jackson, Miss.

Funeral services will be held at 10 a.m. Friday at the First Presbyterian Church by Dr. L. T. Lawrence. Burial, in charge of Herndon Cornelius, will be in Rose Hill Cemetery.

Active pallbearers: Bin McRae, Hamilton McRae, Lester Hobbs, Dorsey McRae, Billy Duckett, John Dawson of Stephens, John McRae of Jackson, Miss., Dudley Stenbrink of Jackson, Miss., Bill Glover of Malvern and Francis Dawson of Monroe, La.

Although Canada has no aluminum ore, she ranks high as an aluminum producer because of her abundant power supply.

When men first went to New Zealand there were only two kinds of mammals there: both of them bats.

News Briefs

By United Press

The national office of the American Federation of Labor yesterday approved a recent action of the Arkansas Union convention on the question of seating certain delegates.

The state convention in Hot Springs May 18-20, refused to seat delegates from Local 302 of the Operating Engineers and Local 701 of the Plumbers and Steamfitters. The national office in Washington approved the action.

The two locals were "considered opponents of two A. F. of L. officers reelected at the convention, President Charles W. Mowery and Secretary Sherman Zinn."

Gov. Cherry said yesterday he may use his emergency fund to continue the state medical examiner's office.

A delegation consisting of representatives of sheriff's organizations, prosecuting attorneys, the university medical school and the state police pointed out the value of the work to Cherry.

At present there is no appropriation for the office and the medical school has been doing the work. It is estimated that \$20,000 a year is needed for the work.

Dean Morley, attorney for the wholesale liquor dealers of Arkansas, filed over 7,000 additional petitions yesterday to refer the three per cent liquor tax.

Morley had already filed enough petitions on June 5 to refer the act to the 1954 general election. Yesterday was the deadline for filing.

Czechs Call Martial Law Due to Strike

VIENNA, Austria (UP) — At least two of Czechoslovakia's largest cities are under martial law after 10 days of strikes and demonstrations against the drastic currency revaluation decreed by the Communist government, it was reported today.

Pilsen, famous beer-brewing city, and Brno, Czechoslovakia's No. 2 city, were specified by reports which reached here as under martial law. A state of emergency has been declared in Ostrava and Bratislava, the reports said.

The reports came from reliable sources here and refugees who managed to escape across the Czechoslovak frontier.

They said that troops and police were now in control of the situation, but only after strikes and clashes in which some persons were killed and many wounded.

The Red currency decree junked the old currency, wiped out savings and declared state debts and securities worthless.

Strikes and street demonstrations resulted. The most serious outbreak, occurred in Pilsen, one of the Czechoslovak cities liberated by American troops. It was reported earlier that six persons were killed when police fired on striking workers and other demonstrators.

Later reports said that all shops were closed in the city for two to three days.

When men first went to New Zealand there were only two kinds of mammals there: both of them bats.

Benson Likely to Be Forced to Restrictions

By OVID A. MARTIN

WASHINGTON (AP) — Secretary of Agriculture Benson, an avowed foe of government controls, today faced the prospect of having to apply restrictions on more crops in a single year than any of his predecessors.

An official crop report yesterday put the wheat supply at a surplus level which — unless there is an unforeseen major development — will require Benson to invoke rigid marketing quotas on the 1954 crop.

Growers already have approved 1954 controls for the major types of tobacco and for peanuts. Benson announced this week he will impose marketing controls of this year's production of sugar in Puerto Rico and in the domestic cane sugar area.

Reports on cotton planting indicate production of this crop may put supplies in a surplus class also requiring controls on next year's production.

Returning from a recent farm conference in the Midwest, Under Secretary of Agriculture T. D. Morse said it appeared that the corn acreage would be larger this year than last. Thus, it would be possible for the corn supply to reach a surplus mark also requiring quotas next year.

During the campaign last year, President Eisenhower pledged a minimum of agricultural controls. Benson, in speeches and statements has said farmers want a federal farm program that would free them from government domination.

The secretary has little choice in using measures to cut down on production of major crops in excess supply. Farm laws require use of acreage planting allotments and marketing quotas when supplies of major crops reach specified levels.

Benson has pledged faithful administration of these laws. Nevertheless, he has said that he will seek better programs.

Benson has until July 1 to announce a decision on wheat controls, and he probably will wait until that time. Something could happen — although the chances are remote — to change the situation.

Yesterday's Agriculture Department report forecast this year's wheat crop at 1,132,500,000 bushels. This is at least 23 1/2 million bushels above the level which might permit escape from quotas.

With a reserve of 575 million bushels from previous crops, the nation has a prospective record wheat supply of more than 1,700,000,000 bushels. Americans use only about 750 million bushels a year, not including exports which have dipped from a peak of about 500 million bushels after World War II to 300 million.

New Marriage Law Effective

LITTLE ROCK (AP) — Arkansas law demands today that you wait three days to get a marriage license and 30 days to get a divorce.

Ability of chancery, circuit and county judges to waive the 3-day waiting period required between application and issuance of a marriage license was wiped out by the 1953 Legislature.

The law became effective today. Divorce seekers, up to today, could file a suit, get a waiver from a spouse, and obtain a decree all in the same day.

A 1953 law requiring at least 30 days between filing of a suit and granting of a decree also became effective today.

All Around the Town
By The Star Staff

Pageant magazine which hit the local newstand yesterday carried an eight page spread on the Ponder quads of Murfreesboro . . . all told there are some 24 pictures of the youngsters along with a story of their lives . . . did you know that quads are 850,000 to one? . . . and speaking of pictures Ed Justus, local photographer, has a photo of an Arizona gorge taken back in 1951 which will be published in the August issue of Arizona Highways, one of the finest publications of its kind in the world.

The November 1951 issue of the magazine published Ed's shot of Creek Canyon in Arizona which was later bought by a Milwaukee Calendar firm which is using it for the first time this year.

Several weeks ago at a party given Shannouse employees Mayor John Wilson waded a watermelon against a Magnolia tree with the Columbia county city in a contest between workers of the two plants.

Hope employees of the garment factory won and Friday was 71.

So you think it was hot yesterday? It was . . . 88 according to the Experiment Station for a new seasonal high . . . the previous high was a couple of days ago when the mercury was a mere 87 . . . even last night the lowest figure was 71.

ROKs Boil as Officials Ready Draft for Peace

Another Cut in Postal Funds Asked

WASHINGTON (AP) — Sen. Douglas (D-Ill.) asked the Senate to top \$13,450,000 today off funds for postal operations in the coming year.

This amendment was offered to a House-passed bill carrying \$3,444,145,000 to run the Treasury and Post Office Departments in the new fiscal year starting July 1.

Douglas told the Senate yesterday he was "gravely disappointed" with the measure and two Republican senators, Williams of Delaware and Dworshak of Idaho, also said they had hoped for deeper cuts.

Sen. McCarthy (R-Wis.) handling the bill for the Senate Appropriations Committee, said it had been pared 3 1/2 per cent under the budget estimates of former President Truman.

The House bill was approved without change by the Senate committee. Capital veterans were unable to recall when, if ever, this had happened before.

Interest in Dairying Is Mounting

Chairman Paul Tolleson of Hope Chamber of Commerce Dairy Committee reports that a great deal of interest is being shown by prospective dairy farmers. Present indications are that a large crowd will be present on Thursday night, June 18, for the County Wide Dairy meeting. The prospects for a bountiful crop of hay and roughage this year are an encouraging factor to dairy farmers. At this time it appears that production costs for the '53-'54 winter season will be considerably lower than the '52-'53 winter season.

Committee members Vernon Brown and Aubrey Wilson, who are themselves dairy farmers, state that they definitely feel that at least 25 additional dairies can be established in Hemstead County this summer and fall. Mr. Wilson who is President of the Hemstead County Artificial Breeding Association, states that this local area "should be shipping milk into other areas, particularly to the south of us, instead of shipping milk into this area as well as northern milk passing through this area going to places south and west."

"In my opinion," Vernon Brown said, "dairy farming has more to offer the average farm family than any other type farming I know of."

Mr. Brown further states that, of course, there are dairy farmers who are dissatisfied with their operation, but the big majority of the dairymen are pleased with their operation.

Field men of the Borden Dairy Company and the Midwest Dairy have been in the county this week contacting prospects and state that they will work with the community in every way possible in assisting these additional dairies.

Doubtless this is an opportunity dropped into the laps of Hemstead County people that most areas have to work and fight hard to get.

Diving, Swim Classes to Start Monday

Monday is the date for the beginning of adult swimming and diving classes at Municipal Diving classes will start at 8 p.m. Monday through Friday. Adult swimming classes will be held daily at 8:15 p.m.

Services Sunday p. m. at Sards

Monthly singing services will be held at Sards Church, Sunday starting shortly after noon. Public is invited.

MARKETS

ST. LOUIS LIVESTOCK

ST. LOUIS NATIONAL STOCK YARDS, Ill. (UP) — Livestock: Hogs 0000; rather slow; barrows and gilts 23 to 40 higher than Wednesday's average; sows 25 higher; choice 190-220 lbs 24.00-24.25; latter fairly freely; 240-270 lbs 23.24-23.55; few to 24.00; heavier weights not established; 170-180 lbs 22.50-23.50; 150-170 lbs 20.50-22.00; 120-140 lbs 17.50-18.75; sows 400 lbs down 20.00-21.50; heavier sows 17.50-19.25; barrows 13.00-15.50; Cattle 2,000; calves 1,000; slow; barrows and heifers few dealers; steady on good and low corn; hogs 15.50; little done on heavy; few commercial steady at 15.00-16.00; big packers bidding unevenly lower on others; bulls and steers steady; utility and commercial 13.00-15.50; canner and cutter bulls 10.00-14.00; good and choice vealers 18.00-21.00; few prime to 23.00; utility and commercial vealers 13.00-17.00. Sheep 1,400; market not established.

NEW YORK STOCKS

NEW YORK (U) — The stock market rallied briskly today, with numerous gains of a point or more. Railroad shares led the upturn. Pronounced improvement also was made by television, chemical, aircraft, motor, steel and oil stocks. Among outstanding performers were Texas Pacific Land Trust, up 4 at one time. City Southern and Du Pont were ahead 2 points. The market was firm from the opening and volume rose as the rally progressed.

POULTRY AND PRODUCE

CHICAGO (U) — Live poultry: weak; few firms; steady on young stock; Receipts 1,000 coops; f.o.b. moving prices unchanged to 2 cents a pound lower; heavy hens 22.00-23.00; light hens 22-23; fryers 18-20; broilers 27-29; old roasters 18-20. Eggs: 14,782 cases; Market tops; white steady; white large 48-49; white small 47-48; mixed 46-47; brown large 47-48; brown small 46-47; old 45-46. Butter: 600,000 pounds; market steady; 38 score 45 cents a pound; 36 score 44; 34 score 43; 32 score 42; 30 score 41; 28 score 40; 26 score 39; 24 score 38; 22 score 37; 20 score 36; 18 score 35; 16 score 34; 14 score 33; 12 score 32; 10 score 31; 8 score 30; 6 score 29; 4 score 28; 2 score 27; 1 score 26.

NEW YORK COTTON — Cotton futures were irregular in slow trading today. Slight liquidation was reached, followed through mill buying and short covering. Most of the market was slightly higher, with only a few contracts lower. July slightly lower. Late afternoon prices were 15 cents higher than the previous close. July 33.00, Oct 33.50 and Dec 33.75.

GRAIN AND PROVISIONS

CHICAGO (U) — Feed grain held steady; wheat and soybeans advanced, lower on the Board of Trade today. Selling in wheat followed over-valuation of an Agriculture Department crop forecast which initially was 1.4 to 1.5 a bushel. A later report of winter wheat from a number of states and an April wheat production at an all-time record, however, was not reflected by a price decline. Soybeans displayed a similar pattern, with the Agriculture Department's July additional report of a record yield. Soybeans 1 1/4 to 1 1/2 lower, July 32.00-32.25; soybeans 1 1/4 to 1 1/2 lower, July 32.00-32.25.

DOROTHY DIX

Fears Witches Are Busy

Dear Miss Dix: My husband and I have been married 36 years and are as much in love as the day of our wedding. Our children are married and in their own homes, and now we have the time and a little money to enjoy ourselves. The trouble is that so many women envy my happiness and I'm afraid one of them will step in and spoil it. Other women are always telling my husband what a fine person he is, and he tells them I am just as fine. Of course, I'm glad he appreciates me, but do you think all this praise will turn his head? Perhaps I'm too much in love with him. We always go out together, or stay home and watch TV. However, I can't get rid of the notion that someone may be trying to take him from me.

Looking For Trouble

Answer: If anyone spoils your perfect marriage, it will be yourself. You are picking trouble out of the blue, and if your faithful husband ever realizes that you doubt him, or doubt his devotion to you, he'll be so hurt that he might seek solace with someone else. Can't you just settle down to complete thankfulness for the wonderful blessings you have? Many women at your time of life have already become widows. Can't you be grateful that this fate has escaped you? Probably you have too much time on your hands, and find, after a busy life, that work makes an easy replacement for needless anxiety, or self-pity (and the two are akin), is service to others. Your city certainly must

Haynesville, La., were guests of Mrs. Mark's parents, Mr. and Mrs. E. C. Sterling.

Mr. and Mrs. B. A. Gregory and twin daughters of Tampa, Fla., were guests of Mrs. Gregory's sister, Mrs. E. C. Sterling and Mr. Sterling.

Misses Mary Ann and Billie Jean Aldridge have returned to their home in Oklahoma City, Okla., after a visit with Miss Audrey Lou Foster.

Mrs. Hazel Hooks, Mr. and Mrs. Marvin Hooks and son, Gary, of Oklahoma City, and Mrs. H. J. Blocker of Miami, Fla., have returned to their homes after a visit with Mr. and Mrs. N. C. Foster and daughters.

Hospital Notes

Julia Chester
Admitted: A. J. Ward, Rossion, T. W. Landes, Palmos.
Discharged: Mrs. O. W. Mills, Hope, Sue Webb, Ozan, Mrs. Olen Rhodes.

Branch
Admitted: Mrs. W. L. Reese, McCaskill.

have welfare agencies ready to welcome volunteer workers. Try giving a day or two a week, or even a few hours a day, to the needs of others, and your own domestic bliss will take on a new meaning. No one can fill an entire life with service to one person only, unless, of course, that person is an invalid. Your home and husband can spare you part of the time, particularly as your absence probably will make you a much better wife.

Dear Miss Dix: I am sure my dreams foretell my future, since so many of them have come true. I have met a boy I dreamed about and we have become good friends. Now I have dreamed that we are going to break up. Do you think I should believe this dream since the others came true?

Answer: I'm quite sure that if you made a list of your dreams over a certain period, you'd find that most of them did not come true! You have doubtless been worrying about losing this boy to the point where the obsession has been reflected in your dreams. If you should lose him, don't blame it on the dream, but try to figure what you have done to displease him. If he doesn't take you out as often as you wish, remember that he works in a hospital where the work is hard and irregular. He can't always count on his time off, and probably doesn't have too much money to spend, either. You should learn to work out your own problems; don't leave them to dreams.

Dear Miss Dix: I'm 14, and my mother doesn't think I should date. I haven't yet tried to sneak out on a date because I'm afraid I'll get caught. I like a boy very much, and think he likes me, but when she asks for a date I have to think up an excuse.

Answer: Why make excuses to the boy? Tell him the truth, and let him show by his actions that he's worthy of taking you out. Bring a nice boy home, let your mother get to know him, and maybe she'll relent a bit about your dating. Give up any thought of sneak-dates; once you betray your mother's trust you'll never have a chance to date. To attain adult privileges, show adult judgment.

Dear Miss Dix: There's a boy in my class whom I like very much. We seldom speak to each other, since I am very shy, and whenever I pass him I put my head down. Maybe he thinks I'm stuck-up. How can I get over this habit and be a little friendly?

Answer: You are giving the boy a very poor impression of you, Candy. Since it's the girl who is privileged to open a conversation, or at least extend a greeting, you most certainly should hold your head up and say "Hello" when

Ike Promises to Get Rid of Rackets

MINOT, N.D., (AP) — President Eisenhower gives a Republican rally a report today on the first months of his administration, a regime he says will be free during the next four years of scandals and racketeering.

The President promised such an administration to 250 North Dakota GOP leaders last night after telling another audience in Minneapols that all the free nations of the world must stand together against Communist aggression, "or they shall fall separately."

Eisenhower spent the night in Minot and was scheduled to drive

you see him. In fact, do it with everyone. Never avoid giving a greeting to anyone.

Released by Bell Syndicate, Inc.

Personal To Women With Nagging Backache

Nagging backache, loss of pep and energy, headache and dizziness may be due to slow down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritation due to cold or wrong diet may cause getting up at night or frequent passages. Don't neglect your kidneys! If these conditions bother you, try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's gives happy relief from these discomforts—help the sluggish kidney tubes and filters flush out waste. Get Doan's Pills today!

65 miles today to Riverdale, N.D., to speak briefly and informally at ceremonies marking closure of Garrison Dam.

From there he travels to Mt. Rushmore National Memorial near Rapid City, S.D., for a major political address at the convention of the National Federation of Young Republicans.

Eisenhower gave his Minot audience a preview of his speech to

the young Republicans. Singling out such members of his Cabinet as Secretary of State Acheson, Secretary of the Treasury Humphrey, Secretary of Labor, Secretary of the Interior, Secretary of Health, Education and Welfare, examples of integrity and ability, the President urged the North Dakota group to attract outstanding people into the state organization's ranks.

Could you put up \$11,000 if you had an auto accident?

That's what's required by the new Safety Responsibility Law effective June 11, 1953 in Arkansas. The easiest, low-cost way to comply with this law, and protect your right to drive, is to insure your car with State Farm Mutual—the automobile insurance company that dared to be different in ways that save you money! WE DELIVER **B & B** SUPER MARKET DIAL 7-4501

PRICES FOR FRIDAY, JUNE 12th and SATURDAY, JUNE 13th

You can drive this bargain for only \$2415.00

—the new 1953 Buick SPECIAL
2-Door, 6-Passenger Sedan
Model 48D, illustrated, **DELIVERED LOCALLY**
Optional equipment, accessories, taxes and local fees, if any, additional.
Prices may vary slightly in adjusting to market conditions due to shipping charges.
All prices subject to change without notice.

WE present this eye-opening news for good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for the price proudly headlined here.

But there's more to this great

automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's wallowing big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air

THE GREATEST BUICK
IN 50 GREAT YEARS

cleaner, full flow oil filter, bumper guards front and rear.

The key—and the thrills—are waiting for you.

Why not drop in on us this very week and try the most exciting Buick SPECIAL ever built? We know you'll find it a buy too good to pass up.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Legionnaires in 6th Win at Mineral Springs

It's six straight for the Legionnaires following an 8 to 1 decision last night over Mineral Springs.

Jack Bell's triple and Reeder Huddleston's single accounted for the first Hope run in the second. In the next stanza two errors, Bob White's double and Marty Pilgarno's infield hit accounted for three; and in the fourth Bob White singled and Gordon Beasley doubled him in for another. Hope added three more in the seventh on a couple of errors, a single by Bell and a double by Bill Martin.

The Flyers scored in the seventh on a double by Louis Bell and a single by Lonnie Bell.

Reeder Huddleston was the winning hurler allowing only four hits, walked five and fanned 10. It was his third victory in league play. Jack McClendon was the loser, allowing eight runs on nine hits, walked two and struck out four. His relief, Thompson, allowed no runs, one hit.

Friday night the Legionnaires entertain the Nashville Cubs with Donz Stevens on the mound for Hope and Gregory or Woodson for Nashville.

Thousands of

Continued from Page One

plaining this point to the other Allied nations and, "we intend to do so continually."

How Rhee warned his people against "unruly conduct" toward U.N. personnel during "this time of national crisis" and said any such unruly acts would be subject to stern punishment.

Before Rhee spoke, 30,000 chanting Koreans paraded through Pusan, the temporary capital, carrying placards urging: "give us unification or give us death" and "Drive away the Chinese Reds."

By MILO FARNETI

SEOUL (AP) — South Korea's acting Prime Minister said flatly today that his country will not accept the impending armistice and hinted that ROK troops may refuse to pull back when a truce is signed.

His statement came as chanting thousands swarmed through Seoul and other cities in the third straight day of angry demonstrations against a truce which would leave Korea divided.

The Korean National Assembly called on President Syngman Rhee to curb the government-sponsored demonstrations to avoid "unnecessary violence" between the South Korean people and Allied troops.

Acting Prime Minister Pyun Yang Tai told newsmen after a Cabinet meeting today:

"We cannot and will not accept any part of the armistice terms."

He hinted that ROK troops who man two-thirds of the 155-mile front might not pull back a mile and a quarter to create a buffer zone after an armistice is signed.

The U. N. and Reds have agreed to such a zone.

South Korea's lawmakers proposed an alliance with Nationalist China. And while the resolution did not specify the nature of the pact, some assemblymen talked privately of a military alliance.

As thousands of South Koreans shouted slogans and snake-danced through the streets, the Assembly also adopted a resolution calling on the U. N. Command to scrap the present truce plan and start over again.

Some 30,000 chanting Koreans, carrying placards urging that no armistice be signed until Korea is unified, paraded through Pusan. Other thousands marched down Seoul's wide avenues in orderly groups, shouting slogans, waving banners and singing.

About 800 students demonstrated in front of the Allied correspondents' billets, but there was no violence.

Meanwhile, Rhee welcomed back Gen. Paik Sun, Yung, the South Korean Army chief of staff who was ordered to return from the U. S.

So the People May Know . . .

An automobile liability policy is important to every car owner. Be safe, insured, but get the most for your money!

Quotations on bodily injury and property damage with limits of \$50,000.00/\$100,000.00/\$5000.00 are per year:

Class I — No operators of automobile under 25, car used mostly for pleasure and not principally in occupation, profession or business. **\$28.00**

Class II — Automobile owners who also have operators under 25 years of age. **\$46.00**

Class III — Car owners using their automobiles principally in the duties of their occupation, profession or business, but having no driver's under 25. **\$39.50**

Farmer's rates are still lower.

to take command of the nation's American-trained divisions.

Paik and Rhee conferred behind closed doors today after the 32-year-old general talked with South Korean Army, Navy and Air Force commanders.

South Korean police said two Koreans were wounded by a shot fired by an American Negro soldier in Pusan. Neither was seriously hurt.

High school and college students — mostly young men — were parading in a downtown street and refused to clear the way for a U.N. Army bus, witnesses said.

Onlookers told police the students taunted the soldier, a passenger in the bus, and he jumped out with his carbine in his hand.

There were conflicting views on whether the shooting was accidental.

By MILO FARNETI

SEOUL, Friday (AP) — South Korea's cabinet reaffirmed yesterday it would refuse to accept the impending armistice and President Syngman Rhee openly disagreed with President Eisenhower.

Rhee issued a statement saying he could not agree with Eisenhower's views "that a truce in Korea would be advantageous to this country in many ways."

"We regret very much, however, that we take a view different to friendly advice and that this is unavoidable because a truce on the present terms simply means death to us," Rhee added.

Rhee cautioned his countrymen against "unruly conducts" and "friendly attitude" toward allied personnel as the third straight day of anti-armistice demonstrations brought the first report of bloodshed.

Taft Forced to Sidestep Duties

WASHINGTON (AP) — Sen. Taft (R-Ohio) has given up his front-row duties as Republican floor leader in the Senate, but few of his colleagues expect the forced stepping down to lessen his influence.

"Bob may swing even more weight now that he will have fewer routine duties," said one top GOP senator who asked not to be named.

Explaining that his physicians had ordered him to take it easy and undergo intensive treatments for a "serious" hip injury, Taft announced yesterday he is turning over the day-to-day floor leadership to Sen. Knowland (R-Calif.) although the Ohioan will continue to retain the title.

Knowland is chairman of the Republican policy Committee. Eisenhower, now in the Midwest, sent Taft a lot of cheer from Minneapolis yesterday.

Norrell Likes Ike's Remarks

MINOT, N. D., (UP) — Rep. W. F. Norrell (D-Ark.) the lone Democrat in a crowd of some 250 Republicans who heard President Eisenhower speak here last night, said today he didn't mind the President's good-natured references to him.

"I enjoyed it," Norrell said. The President, giving a partisan talk to the North Dakotans, frequently made side remarks to the Arkansas Democrat and mentioned his name.

Norrell explained that he came to North Dakota for the ceremonies marking progress on the completion stages of the Garrison Dam.

The congressman said he had been "voting for appropriations for dams in North Dakota" for many years and decided he should see what was going on in the Plains state.

He said he was a member of the House Civil Function Subcommittee, which approved the first appropriation for the big earth dam.

Explaining that his physicians had ordered him to take it easy and undergo intensive treatments for a "serious" hip injury, Taft announced yesterday he is turning over the day-to-day floor leadership to Sen. Knowland (R-Calif.) although the Ohioan will continue to retain the title.

Man Identified as Holdup Gunman

FT. SMITH (AP) — Sayer Joel Carson was charged with robbery here yesterday in the \$1,000 holdup of a Ft. Smith Kroger store last April.

Carson, also charged with armed robbery at Muskogee, Okla., was tried a maximum penalty of death.

identified in a lineup by two of the grocery store employees as the April 24 robber, said State Police Lt. Bernard Young.

Prosecutor James A. Gutensohn has sent a detainer to Muskogee, where Carson will have a preliminary hearing on the Oklahoma charge on June 16. Conviction of robbery in Oklahoma carries a maximum penalty of death.

Carson left Arkansas last fall when the Arkansas Supreme Court ruled that a pardon from a life sentence for murder also freed him from sentences on a robbery conviction. Carson had been convicted of killing a State Hospital Guard in 1938, and sentenced to death. The sentence later was commuted to life, and still later to 21 years.

MEETING SET

LITTLE ROCK (UP) — The new Forestry and Parks commission has scheduled a meeting here June 23.

Topping the list of business will be a discussion of the issuance of revenue bonds authorized by the 1953 Legislature to improve the parks.

Storage Needs Should Be Planned Now

Farmers of Hempstead county have been urged by Hempstead County Chairman H. B. Gilbert of the PMA County Committee to make plans now for storage needs for oats, wheat or rice that may be produced on their farms this year. Storage facilities will be needed if they plan to use farm storage in connection with price support programs.

Price supports are available on grains and wheat in farm storage or warehouse storage or through purchase agreements. Loans will be available on such commodities in approved farm storage or in approved public warehouses. In addition purchase agreements are available for commodities stored on the farm.

In this connection, Mr. Gilbert said the farm storage facility loan program has been extended through June 30, 1934. Under this extension farmers may obtain CCC loans to finance the construction or purchase of new farm storage facilities for grains and other storable crops.

Loans are available up to 80 percent of the cost of the structure, to any owner operator, tenant landlord or partnership of producers desiring to erect a facility which will meet requirements for eligible storage under price support programs. Loans are payable in four annual installments, or earlier at the option of the borrower. The first installment is payable twelve months after the loan is disbursed by CCC. Interest on loans is at the rate of 4 percent a year.

Producers interested in obtaining storage facility loans have

Duke Marks His 32nd Birthday

LONDON (INS) — Prince Philip, Duke of Edinburgh, marked his 32nd birthday today by spending as much time as possible with his wife, Queen Elizabeth, and their two children, Prince Charles and Princess Anne.

The strenuous round of duties imposed by the coronation have kept the handsome prince from frolicking with the children as much as usual.

Bonnie Prince Charles, aged four, and blonde Princess Anne, two, spent their usual morning visit to their parents, bringing with them presents for their father.

A family luncheon at which the queen will toast her husband with champagne will be followed by their only official engagement of the day, the opening of a tournament at Earl's Court.

The sailor prince will be honored by the firing of salutes at Spithead, where hundreds of ships of Britain and other nations are gathered for next Monday's coronation naval review.

Only one Italian in 64 has an automobile.

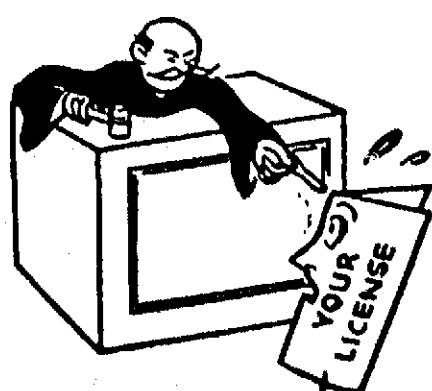

been urged to contact the county PMA office at Hope.

PRESCOTT NEWS

Jane Nelson Entertains

Jane Nelson, daughter of Mr. and Mrs. Jim Nelson, entertained a few of her friends with a theater party on Saturday afternoon. The occasion was her seventh birthday.

After the show the guests Mary Beth Bryson, Ruth Hairston, Sandra Ward, Caroline Daniel, Helen Ledbetter, Margaret Dews and Walter Nelson returned to the home of the hostess and were served ice cream and the pink and white birthday cake from the dining table covered with a white linen cloth centered with a bouquet of summer flowers carrying out the pink and white color scheme. Favors were straw hats and gum.

Barham Family Reunion

Forty members of the Barham family enjoyed a reunion held at the home of Mrs. Tom Barham at Shady Grove on Sunday.

A picnic lunch was served at noon.

The immediate families of Mrs. Barham that were present included Mrs. M. D. Shell and family, Mrs. Brad Dewoody and family, Mrs. Jewell Cox, Mr. Luther Barham, Mr. and Mrs. J. W. Barham and family of Chandler, Ark.

Dr. J. L. Jenkins, Dr. A. J. Jenkins of Galveston, Texas; Mrs. M.

L. Bennett, Mrs. Jane Huse, M. L. Bennett, Jr., Mr. and Mrs. A. J. Martin and Mrs. B. C. Campbell of Norman, Texas, attended the funeral services for Mr. R. E. McLaughlin on Sunday.

Mr. and Mrs. C. G. Gordon attended the Barnett-Gordon wedding in Magnolia on Sunday.

Mr. and Mrs. Dick Stewart and Gary accompanied their son, Bill, to Mt. Ida Sunday where he will attend the Ozark Boy's Camp.

Mr. and Mrs. John P. Cox of Hope were the guests Sunday of Mr. and Mrs. John A. Davis.

Mr. and Mrs. Charlie Dews and daughters were the weekend guests of Mr. George Dews in Arkansas, Mo.

S. D. Dickinson of Little Rock spent the weekend with his mother, Mrs. Sam Dickinson.

Mr. and Mrs. Pope Driley of Texarkana were Sunday guests of Mr. and Mrs. D. K. Bemis.

Mr. and Mrs. Robert Holloway of Memphis have been the guests of friends.

Mr. and Mrs. Coy Dewoody, Mr. and Mrs. Loyd Haynie and Shelby

motored to Little Rock Sunday and were the guests of Mr. and Mrs. George Haynie.

Mr. and Mrs. Horace Hale and as their weekend guests, Mr. and Mrs. Bob Archer and Susie of Dorado.

Mr. and Mrs. Paul Harris and son have returned from Malheur, Texas, where they have been the guests of relatives.

Mrs. C. D. McSwain has returned from Memphis where she has been with her daughter, Miss McSwain, who underwent surgery at Baptist Hospital. Miss McSwain will return home at a later date.

Mr. and Mrs. Roger Smith, David and Mike of Magnolia spent Sunday with relatives and their daughter, Ann, who has been attending Lindenwood College in St. Charles, Mo.

Bill Teeter and Miss Corra Nell Tilley of Conway were weekend guests of Mr. and Mrs. J. W. Teeter.

Mr. and Mrs. Martin Wooley, Jr., of Stamps have returned to their home after a visit with Mr. and Mrs. Fred Gordon.

Dr. and Mrs. Glenn Hamilton and Ruth accompanied James to Mt. Ida Sunday where he will attend Ozark Boys' Camp.

Mr. and Mrs. Jim Yancey were the weekend guests of their son, Bill Yancey and family in Louisiana.

Mr. and Mrs. Joffrey Rogers and children of Warren spent the weekend with Mrs. Ida Martin.

Marion Black of Malvern visited Clyde Watson Buchanan over the weekend.

Mr. and Mrs. Paul Buchanan of Magnolia were the weekend guests of Mrs. Gil Buchanan and Mr. and Mrs. Archie Johnson.

Mr. and Mrs. Cecil Grantt of

Magnolia have been the guests of Mrs. C. J. Grantt and Mr. and Mrs. Dawson Atkinson.

Mr. and Mrs. Tom McCalland of Camden spent the weekend with relatives and friends.

Miss Jackie McMahon of Little Rock visited her mother, Mrs. Christine McMahon over the weekend.

Misses Catherine Jane and Martha Ann Mitchell, students at Henderson State Teachers College, Arkadelphia, spent the weekend with their parents, Mr. and Mrs. Carl Mitchell.

Peace Talks May Prove More Costly

By JAMES MARLOW

WASHINGTON, Mo. — In the long run the Korean peace talks — if they ever get started — may cost this country more than the Korean War through damage to relations between the United States and its allies.

Because he must try to prevent that President Eisenhower's great est problem, the peace talks, while the war lasted was comparatively simple. He could concentrate on getting the shooting stopped. The Allies stood united on that.

If the shooting does cease, Eisenhower's popularity in this country will reach its highest point since the election. And if he can achieve a good peace settlement, the Republican party will probably win next year's elections.

But, judging from the fact that it took years just to get a truce, the odds are against any peace settlement within a year. Eisenhower will have his hands full to keep from losing the peace and, therefore, the war.

At this moment the greatest block to Russian expansion is the unity and military alliance between the U. S. and Western Europe. But cracks in that unity have already appeared.

The Allies, who stood shoulder to shoulder on getting a truce in Korea, do not see eye to eye on the many and varied post-truce problems. For example: Should Red China be admitted to the United Nations?

This country's attitude: No. But the British have talked of it. Sir Winston Churchill was asked about it yesterday but hedged. And yesterday, the British Commonwealth said they want Red China in the U. N. eventually.

The Russians will be better off than before the Korean War began if they can (A) use the peace talks to widen free world differences; (B) create between the Allies an ill will which didn't exist before Korea and (C) kid them into halting their rearming.

The U. S. is still young, still growing, the most powerful single nation. In spite of their great age Russia and China under the whip of Communist leadership, have obtained a new drive. They are on a crusade.

Between those two spheres of

GM Favors Going Along With Ike

By LYLE C. WILSON

WASHINGTON, (UPI) — Big General Motors would like to be recorded in favor of the Eisenhower administration's tax program, in closing extension of the excess profits tax.

It's entitled to an opinion, too. It is unofficially estimated that the company pays approximately 20 percent of all the excess profits taxes collected by the treasury. At that rate, GM paid upward of \$399,000,000 in 1952 excess profits taxes.

The position of General Motors is directly opposed to the organized spokesmen of business. The United States Chamber of Commerce

denounces and expanding energy. Western Europe lies old and tired, wanting nothing so much as peace, fearing nothing so much as a Russian attack or an act by this country which might bring on the attack.

The Western Europeans were able to call on such energy as they still had left to rearm when, frightened by the invasions of Korea, they thought they might be next on the Russian timetable.

But as the war dragged on even though the U. S. bore almost all the cost to the West in men and money, the Western Europeans gradually grew tired of it.

That they were still tired, basically and profoundly in spite of their part to rearm became apparent when the new Russian regime began talking peace. Western Europe leaped at the thought and slowed rearming.

Russia may have won some psychological advantage from the three years of war in Korea. Before that, Western Europe, knowing Russia could crush it failed to arm seeming incapable of doing more than hoping Russia wouldn't move.

With the passage of three years without a Russian attack Western Europe, or at least those Western Europeans who would rather depend on hope than self-reliance and preparation, can soothe themselves with a belief Russia cannot attack at all.

Even in this country, Eisenhower may have difficulty preventing a breakdown in rearming. It will be doubly hard for him to keep Western Europe from sliding back into inactivity.

His problems will be not only with the Chinese and the Russians but with the leaders of the Western democracies too.

Thespians Get Big Welcome in Hollywood

By ALINE MOSBY

HOLLYWOOD, (UPI) — A couple of Thespians, two years ago and trouble scrying up top picture roles, were given a superlative welcome in Hollywood today.

The couple was met at the gate by MGM studio executives and handed a big gold key to the studio, a fat \$250,000 contract for one picture, a \$6,000 dressing room to own for shoes, flowers and two letters of commendation.

Nine years ago both players were working at MGM. But Lucille Ball was riding an elephant in "Ziegfeld Follies" and Desi Arnaz had a fast two-minute death scene in "Babes".

The difference is they tired of movie roles they didn't like, and went on to become stars of the nation's top television stars on CBS' "I Love Lucy."

Thus MGM, which won't let any of its own stars appear on TV, "We Love Lucy," hung over the studio gate. MGM even invited the television press and CBS executives to the set for the first day of shooting.

"I worked here before, but it wasn't like this," said Desi. The plot of their "comeback" movie has them portraying a honeymoon couple who decide to take a trip in a trailer. To tie in with the movie, the studio gave the Arnaz a trailer as a dressing room. This house-on-wheels has a living room, kitchen, bedroom and baby's room with a doll marked "Ricky, Jr.," the name of their baby on their TV show.

and the National Association of Manufacturers urged the House Ways and Means committee yesterday to refuse extension of the tax for six months from June 30.

Doctor Massages Heart, Saves Woman

TAMPA, Fla., (INS) — A 40-year-old surgeon's quick thinking was credited today with saving the life of a Tampa woman whose heart stopped beating for 24 minutes.

Dr. H. H. Siller, a heart and chest specialist, was to perform an operation on Mrs. Robert Rosenthal's heart. He was to enlarge to initial valve which had grown almost together.

But moments before Dr. Siller was to go into the heart, it stopped beating. The surgeon took the heart in his hand and massaged it until the heart rhythm resumed. He then completed the operation.

For 24 minutes Dr. Siller kept up the massaging while a medical anesthesiologist fed oxygen into the blood keeping the lung movement going.

The operation occurred three weeks ago and was revealed yesterday when Mrs. Rosenthal left a Tampa hospital.

Dr. Siller said that aside from being a little weak, Mrs. Rosenthal "is walking around now and feels fine."

Contempt Citations Appear Likely

CHICAGO, (INS) — Senate probers who made a two-day investigation of alleged Communist infiltration of Midwest universities returned to Washington today with possible contempt citations were study.

Eight witnesses refused to answer whether they were or are Communists. Six were associated with the University of Chicago and two with the University of Kansas City.

Sen. Jenner (R-Ind.) chairman of the Senate Internal Security subcommittee, said the group is seeking to determine if "a criminal conspiracy directed from Moscow is infiltrating our educational system."

He said another series of hearings will be launched tomorrow in Washington.

In 1950, Pennsylvania farms required an average of 5,000 man-hours of work per farm.

Urges Rhee Not to Make Same Mistake

By PHIL NEWSOM
UP Foreign News Editor

President Eisenhower has urged South Korea's President Syngman Rhee not to commit the same "crime" of aggression of which the Reds were guilty three years ago and which led to our entry into the Korean war.

But the aged and single-minded Rhee so far has paid no attention.

Persistently and dangerously he has proceeded to whip up South Korean emotions to continue a war which now not only could not have United Nations support but, under the U.N. charter, must have its active opposition.

The President told Rhee that "the enemy has proposed an armistice which involved a clear abandonment of the fruits of aggression."

He added that he believed "profoundly" that it should be accepted.

There were 1,468,000,000 (B) bushels of corn on U. S. farms April 1, 1953.

Boric Acid Can Accumulate

KANSAS CITY, Mo. (INS) — A Maryland physician warned today that boric acid can accumulate inside the body when applied externally to skin rashes and can cause severe poisoning which in some cases can prove fatal.

Dr. Clement E. Brooke of Frederick, Md., writing in the current issue of GP, magazine of the American Academy of General Practice, said boric acid is particularly hazardous when used on babies, Dr. Brooke said:

"Dangerous amounts of boric acid may accumulate in the body following continuous or repeated application to abraded skin. The slow rate of excretion through body elimination permits the substance to accumulate until lethal amounts are present."

Dr. Brooke said symptoms often fail to occur until an infant is dangerously ill. He urged all mothers not to use the substance in any form despite recommendations by consumer periodicals and baby care manuals.

The article written by Dr. Brooke stated that a diagnosis of boric acid poisoning should be considered when an infant has diarrhea and severe vomiting after treatment of a rash with boric acid substance.
